

## **REQUIREMENTS OF THE IARA CONTINUING EDUCATION PROGRAM FOR THE IARA CERTIFICATION PROGRAM**

1. After initial certification, the IARA CAR designation is valid for three and one-half years.

2. After two and half years, the twelve month CAR Continuing Education period commences in order to be recertified. If not completed after three years-six months, the certification lapses.

3. Outline of the CAR Continuing Education(CE) Program:

a. Period of time is one year.

b. Testing for recertification will be required. The recertify test will be comprised of 50 core questions taken from all 20 of the current exams. Additional questions will be added at the time based on any updated material in the curriculum. Fee for recertification is \$150.00. There is no limit as to the number of exam sittings to recertify, however, there must be a minimum 24 hour period between exams.

c. If someone does not take any recertification exams to complete the CE testing requirements within the initial one year CE program period, then they can be recertified anytime afterwards, by taking the recertify exam, but must pay an additional fee of \$100. They can take as many exams as necessary to pass, with no time limit.

4. Persons earning and maintaining the IARA CAR designation will be granted a \$50 discount to attend all IARA Summer Roundtables. They will also receive a special attendee badge recognizing them as IARA Certified Automotive Remarketers.
